COATNEY

Nichols, Billington, Coatney Named As Honorary Degree Recipients

Dr. John Herbert Nichols of Oberlin, O., Dr. George Robert Coatney, Bethesda, Md., and Dr. Ray A. Billington, Evanston, Ill., will receive honorary doctor's degrees at the University commencement exercises June 8.

Dr. Nichols will receive the degree of Doctor of Science in Health and Physical Education.

He was a professor of health and physical education and for many years was chairman of the small college division of the National College Athletic Association. He taught at Oberlin College in 1911-12 and was director of intramural sports there from 1928 to 1934 and director of physical education and athletics from 1935 until his retirement in 1955. Dr. Nichols was a member of the University of Chicago faculty from 1912 to 1914 and formerly served as medical examiner and chairman of the department of physical education at Ohio State University, atre in 1945.

He holds a B.A. degree from Oberlin College and an M.D. degree from Rush Medical College.

Dr. Coatney will receive the degree of Doctor of Science in Public Health.

He is a protozoologist and malarialogist, serving as chief of the chemotherapy section of the National Biological Institute of the United States Public Health Service. He holds a professorship at Harvard University and at George Washington University where he gives a series of lectures each year.

He holds the degrees of B.A. from Grand Island College; M.A. from the University of Nebraska; and Ph.D. from Iowa State College. He was editor of the Journal of the National Malaria Society in 1951.

Dr. Coatney has been a teacher of biological sciences at Grand Island College, Nebraska Wesleyan University and Peru State Teachers College. He has been a consultant for the United States Public Health Service, a protozoologist for the National Institute of Health, secretary of the malaria studies of the National Research Council, senior consultant in malaria in the office of the surgeon general, Department of the Army, and a U.S. delegate to the 12th Pan American Sanitary Conference in Caracas, Venezuela.

Dr. Billington will receive a Doctor of Letters degree.

He is the William Smith Mason professor of history at Northwestern University, and formerly taught at Clark University, Worcester, Mass., and Smith College.

In 1953-54 Dr. Billington served as Harold Vyvyan Harmsworth professor of history at the Oxford University in England, and in the summer of 1954, he taught at the Salzburg Seminar of American History in Austria. Dr. Billington has been historical editor of the Dryden Press since 1949 and has been a member of the board of editors of the Journal of Economic History since 1949.

Dr. Billington holds a bachelor's degree from the University of Wisconsin, a master's from the University of Michigan, and a Ph.D. degree from Harvard University.

President Welcomes Parents

To Parents of Our 1958 Graduates:

A warm personal welcome to each of you. The joy of these happy days of Commencement is much greater because of your presence.

We here at the University have a precious common interest with you—your son or your daughter. In a very real sense, the purpose and goal of all our efforts have been the same: to encourage and help your son or daughter in the building of the most wholesome, the most constructive, the most successful, and the most worthwhile life possible. You know and we know that if he or she builds this kind of life, it will bring personal well-being and happiness.

As a group, the graduates of 1958 have made a very outstanding record of accomplishment. In their academic work, in their many activities outside the classroom, in the quality of their leadership in the University community, and in their personal and group living, they have made a record of excellence which will be a challenge to our future classes. We are proud of the Class of 1958, and we know collectively they will contribute much to the character and greatness of our nation.

Our primary interest, however, is in each of these young men and women as a person, as an individual. We have a warm personal feeling for each one of them and we wish we might have many more years of close association to cultivate and enjoy an even closer personal relationship with each one.

The four years they have been on this campus have been years of great advancement for the University. In standards of scholarship, calibre of faculty, soundness of academic structure, strength of student life outside the classroom, and quality of its entire educational program, Bowling Green State University has enjoyed during these years a progress rarely

equalled by any college or university. We are proud of this progress, and your sons and daughters have been true members of the University team responsible for its achievements.

Although they are leaving the campus with their justly earned degrees, the 1958 graduates will remain in our hearts as long as we shall live. We urge and we hope that they and you will come back to see us as often as possible in the years to come.

Sincerely,
Ralph W. McDonald
President

Greek Groups Start Annual Scholarship

Delta Gamma Sorority and Kappa Sigma Fraternity are in the process of establishing a scholarship fund in honor of two faculty members who are retiring this spring. The faculty members are Dr. Florence J. Williamson and William C. Jordan, both members of the education faculty.

Named the Williamson-Jordan Scholarship Fund, it will be administered by the Bowling Green State University Foundation, Inc., and will provide one scholarship a year to a worthy student in the field of education. Plans call for awarding the first in September of this year.

Contributions for the fund are being accepted from active and alumni members of the two organizations and from friends of the retiring faculty members.

Both Miss Williamson and Mr. Jordan have been very active in the sorority and fraternity establishing the fund. Miss Williamson was adviser to Skol, the organization which preceded Delta Gamma on the campus, and has been adviser and friend over the years to the local chapter of Kappa Sigma.

The 1958 Commencement Week End officially began today at 11 a.m. with the Senior Flag raising ceremonies in the Circle in front of the Administration Bldg. An estimated 2000 persons will attend the week-end activities which will conclude with the lowering of the class flag and singing of the alma mater after Commencement exercises Sunday afternoon.

The President's Luncheon honoring the graduates, their wives, and husbands will begin at noon today in the Grand Ballroom of the University Union.

"Noche de Luna," Spanish for Night of the Moon, will be the theme of the Commencement Cotillion to be held tonight in the Grand Ballroom beginning at 9 p.m. The setting will center around Generalife, a palace in Granada. Members of the graduating class and their invited guests will dance to the music of Jimmy Dull's Orchestra until 1 a.m.

One of Saturday's highlights will be the Alumni Luncheon, which will begin at noon in the Grand Ballroom. During the Luncheon four retiring faculty members will be honored. The four, who have served the University a total of 116 years, are Prof. William C. Jordan, associate professor of education; Dr. Florence J. Williamson, professor of education; Dr. Bernard F. Nordmann, professor of history; and Dr. Samuel M. Mayfield, professor of geology. The Alumni Luncheon will also give special recognition to certain classes holding reunions that year.

During the afternoon guided tours of the Union will be conducted for parents and guests. At the same time, the Seventh Annual Student Art Exhibit featuring watercolors, sculpture, ceramics, paintings, drawings, metalwork and prints, will be held in the fine Arts Bldg. Some of these are presently on display in the promenade Lounge of the Union.

The President's Reception for seniors, their parents, and visiting alumni will be held from 7 to 10 p.m. Saturday in the Grand Ballroom. Such Union facilities as the Billiards Room, Bowling Alleys, Carnation Room and Card Room will also be open for parents and guests during this period. There will be entertainment in the Carnation Room at 8:30 and 9:30 p.m. The Union will remain open until midnight Saturday.

At 11 p.m. Saturday night the seniors will present a serenade for their parents.

Commencement exercises will begin at 3 p.m. Sunday afternoon in the Amphitheatre behind the Union. The main address, "Each In His Own World," will be delivered by Dr. Alfred H. Williams, chairman of the trustees of the University of Pennsylvania.

In case of inclement weather, Commencement will be held in the Grand Ballroom.

Immediately following Commencement exercises, the seniors will proceed to the Circle and there will lower the class flag and sing the alma mater to conclude the week-end festivities.

Alfred H. Williams Will Deliver Annual Commencement Address

Dr. Alfred H. Williams, chairman of the trustees of the University of Pennsylvania and immediate past president of the Federal Reserve Bank of Philadelphia, will deliver the address at the University Commencement exercise Sunday, June 8.

The public program is scheduled for 3 p.m. in the Amphitheatre behind the University Union.

Dr. Williams has a background of 25 years of university teaching

WILLIAMS

and administration and almost 17 years of central bank administration. He was dean of the Wharton School of Finance and Commerce of the University of Pennsylvania from 1939 to 1941 and held the bank post from 1941 to March 1, 1958, when he retired.

In addition to heading the trustees of the University of Pennsylvania, Dr. Williams is now president of the Pennsylvania-New Jersey-Deleware Metropolitan Project, Inc., a nonprofit corporation organized to promote the development of an urban region embracing parts of the three states. The Ford Foundation has extended a \$900,000 grant to assist in this work.

Dr. Williams is active in public affairs of Philadelphia and the Commonwealth of Pennsylvania and is now serving on boards of the Samuel S. Fels Fund, Great Philadelphia Movement, Hering Foundation, Institute of Local and State Government, Pennsylvania State Planning Board, the Philadelphia Award, State Teachers College of Cheyney, Swarthmore College and the United Fund.

At the national level, Dr. Williams is on the board of the Eisenhower Exchange Fellowships, Inc., and the American Academy of Political and Social Science, where he also is a member of the Executive committee. He is vice president of the American Philosophical Society.

Dr. Williams will address members of Bowling Green's spring graduating class on the subject: "Each In His Own World."

Program Listed For Alumni Day

The schedule of alumni events in connection with the commencement exercises has been announced by Kenneth E. Krouse, director of alumni affairs.

Saturday, June 7, has been designated as alumni day, with the graduating classes of 1918, 1929, 1933, 1938, 1948 and 1955 holding reunions. The board of directors of the Alumni Association are meeting in the University Union all day today.

Included on the Saturday schedule are:

Open house and registration all day in the alumni room of the University Union; meeting of class agents 9 a.m.; annual meeting of the Bowling Green State University Alumni Association, featuring summary reports of the year's activities and the presentation of new board members and officers, Dogwood rooms, University Union, 10:30 a.m.; alumni luncheon, with special recognition of classes holding reunions and retiring faculty members, Grand Ballroom, University Union, noon; golf tournament, university golf course, 2:30 p.m.; splash party, Natatorium, 2:30 p.m.; lectures by Dr. B. F. Nordmann, professor of history, and Dr. Bernard H. Gundlach, assistant professor of mathematics, Dogwood rooms, University Union, 2:30 to 3:30 p.m.;

Class reunions at various points in the University Union, 3:30 p.m.; seventh annual student art exhibit, all day; campus visits, all day; president's reception honoring members of the graduating class, their parents and the alumni, Grand Ballroom, University Union, 7 to 10 p.m.; and serenade honoring the parents and guests by members of the senior class, Saturday midnight.

4 Retiring Faculty Members Honored

A dinner honoring four retiring members of the University faculty was held at the University Union Sunday, June 1, at 6 p.m.

Those honored were Dr. Bernard F. Nordmann, professor of history; Dr. Florence J. Williamson, professor of education; Dr. Samuel M. Mayfield, professor of geology, and William C. Jordan, associate professor of education.

Dr. Nordmann was born in Germany but received his secondary and higher education in the United States. He finished high school in Sacramento, California, and received the degrees of B.A. from Leland Stanford University and M.A. and Ph.D. from the University of Illinois.

Before coming to Bowling Green in 1929 as associate professor of history, he taught in high schools of Michigan and Illinois and later at the University of Illinois, Eureka College, and Ohio State University.

Dr. Williamson holds the degrees of B.A. from Cedarville College, and M.A. and Ph.D. from Ohio State University. She joined the faculty of Bowling Green State University in 1926.

Long interested in the maintenance of high standards in teaching, Dr. Williamson has been active in work of the American Association of University Professors, American Association of University Women, the National Education Association and the Ohio Education Association. She also has been active in work of Kappa Delta Pi, national honor society in education, and the professional organizations, Pi Lambda Theta and Pi Gamma Mu.

Except for three years of work in private business, Dr. Mayfield (Continued on page 2)

University Development Program Progresses

A MEN'S RESIDENCE CENTER costing approximately \$2,500,000, will be built east of Fraternity Row, with construction beginning in the fall. The center, a part of the \$2 million dollar University development program, will consist of 8 individual fraternity houses, each housing 48 men, and an interfraternity

dormitory, housing 316 men. The latter is to accommodate members of fraternities who are unable to live in their respective houses. Each fraternity house will have recreation rooms, a large sunken lounge, and dining room facilities for 80 persons.

What Lies Ahead?

The raising of the senior flag this morning marks the conclusion of four years of study, social adjustment, growing maturity and deep-rooted accomplishment. Yet, the question remains, what lies ahead? Rather than attempting to answer this question ourselves let us turn to the words of the masters.

"Look not mournfully to the past—it comes not back again; wisely improve the present—it is thine; go forth to meet the shadowy future without fear, and with a manly heart."—Longfellow

"We should live for the future, and yet should find our life in fidelities of the present; the last is the only method of the first."—H. W. Beecher

"We always live prospectively, never retrospectively, and there is no abiding moment."—Jacobi

"God will not suffer man to have a knowledge of things to come; for if he had prescience of his prosperity, he would be careless; and if understanding of his adversity, he would be despairing and senseless."—Augustine

"The future is always a fairy land to the young."—Sala

"Everything that looks to the future elevates human nature; for life is never so low or so little as when occupied with the present."—L. E. Landon

"How narrow our souls become when absorbed in any present good or ill!—It is only the thought of the future that makes them great."—Richter

"What is already passed is not more fixed than the certainty that what is future will grow out of what has already passed, or is now passing."—G. B. Cheever

Committees Set For Week End

Five general committees have been named to plan and supervise the major activities during Commencement Week End. These committees have planned the President's Luncheon, Commencement Cotillion, President's Reception, and have taken charge of such items as Public Relations, Information, Special Events, and Guests Arrangements.

The various committees have been under the direction of an Executive Committee composed of Mrs. Elizabeth Cobb, Miss Ann Potoky, Mr. Raymond Whittaker, Douglas Eggleston, Charles Richey, James Schomaker, Christine Skodlar and Orin McCarley.

Heading the President's Luncheon Committee are: James Schomaker, General Chairman; Jane Bangs, Luncheon Place Cards, Seating, Decorations Chairman; Elaine Ulrich, Luncheon Catering Chairman; and William O'Brien, Luncheon Clean-up Chairman.

Chosen to head the Commencement Cotillion Committee are: Douglas Eggleston, General Chairman; Marcia Conner, Cotillion Catering Chairman; George Dunster, Cotillion Decorations Chairman; Jim Rodgers, Cotillion Entertainment Chairman, Charlotte Bliesch, Cotillion Hospitality Chairman; George Lynch, Chairman of Special Services for the Cotillion; and Douglas Eggleston, Cotillion Clean-up Chairman.

Christine Skodlar is General Chairman of the President's Reception Committee. Other chairman under this committee are: Helen Hollstein, Reception Catering Chairman; Sally Gallup, Reception Decorations Chairman; and Jeanine P. Andrews, Reception Hospitality Chairman.

Charles Richey is General Chairman of a committee which includes Jeff Osoff, Co-chairman for Public Relations and Information; Al Moebus, Co-chairman for Special Events and Guest Arrangements; Ron Shoemaker and Carol Jo Byrns, Co-chairmen of Hospitality for Guests; Ralph Eakins, Chairman of Open Houses; Roz Van Tassel, Chairman of Special Events; and Tom Stokes, Exhibits Chairman.

Artist Series Planned

The University's Artist Series programs for the 1958-59 Academic year have recently announced by John H. Hepler, chairman of the Artist Series committee.

Included are the Melachrino Orchestra of England, heard on RCA-Victor records, which will be making its first American tour, November 9; the Philadelphia Symphony Orchestra, known and traveled throughout the world, with its conductor, Eugene Ormandy, February 19; Emylin Williams, Welsh actor who will give readings, March 9, and Blanche Thebom, Mezzo Soprano who has sung with the Metropolitan and San Francisco Operas and in concerts throughout North and South America and Europe, April 12.

Art Works Being Shown

Thirty-seven works comprise the graduate student art exhibit which opened Sunday, May 11, in the University Union. The exhibit hangs in the Promenade Lounge and is free to the public.

The four graduate students in art, whose works are on exhibit include Joe Deluca, of Bowling Green; Donald Schrom, of Chicago; Jack Troutner, of Rossford; and Paul Zelanski, of West Hartford, Conn.

Faculty

(Continued from page 1)
has devoted his entire adult life to study and teaching. Following a pre-college experience as a rural school teacher in Kentucky, he earned a B.S. degree at Berea College in Kentucky and a Ph.D. degree in geology at the University of Chicago.

He is a former professor of geography and geology at Berea College, Intermountain College, Montana, and Linfield College, Oregon.

Concurrent with his teaching and formal education he has worked as a geologist on the Kentucky State Geological Survey, a consultant in mining and oil geology, and an engineer on the United States Geological Survey.

Dr. Mayfield joined the Bowling Green faculty in 1936 as assistant professor of geology and geography, and became department chairman in 1943. The university's first major sequence in geology was developed under his direction.

Mr. Jordan was graduated from Doane Academy, Denison University, in 1913. He received a B.S. degree in education and an M.A. degree from Ohio State University and did considerable graduate work beyond the master's at the same university.

Mr. Jordan served as a teacher in elementary and high schools, as a principal at Bradford and Barnesville, O.

Mr. Jordan joined the Bowling Green staff in 1925 and has served as business manager, dean of men, and director of extension.

During the period of 1943-1946, he was on leave with the American Red Cross serving with the army.

On his return to the University in 1946, Mr. Jordan was appointed assistant professor of education and was assigned to teaching duties in the department of education. He became an associate professor in 1948.

Letter To The Editor

To The Editor:

I should like to make a brief comment concerning the subject and writer of the letter to the editor which appeared in the May 16, 1958, issue of the NEWS. The subject was the special education and social rehabilitation of handicapped citizens; the writer, John Beach.

John spoke to our Friars Club (pre-theology students) a couple of weeks ago, and I was greatly impressed with his message: the physical normal must be aware of their responsibility to encourage the social rehabilitation and adjustment of the physically handicapped. Either the physically handicapped are looked down upon and neglected because of their physical disability, or else, as John has written, they are simply made the objects of public charity, but John has clearly pointed out that their desire is rather to be assured of our understanding and respect. He is truly a zealous ambassador and bears a great burden for others, like himself, who are handicapped physically. Let us accept his charge, and show our concern and active interest in raising "the social status of the handicapped until (they) can feel they are not second class citizens but 'normal' Americans."

Education Confab Speakers Selected

Speakers for the Classroom Teachers National Conference, scheduled for July 6-18 at the University, have been announced in Washington, D.C.

The News Bulletin of the Department of Classroom Teachers of the National Education Association devotes the entire front page of its May issue to the Bowling Green meeting, featuring pictures of key points on the campus.

Speakers will include: Dr. Ralph W. McDonald, University president; Miss Hilda Muehling, assistant executive secretary for professional development and welfare of the National Education Association and former executive secretary of the NEA Department of Classroom Teachers; Mrs. Sarah C. Caldwell, Akron, classroom teacher representative on the Educational Policies Commission and former president of the National Education Association and the NEA Department of Classroom Teachers;

Newell Brown of Washington, D.C., assistant secretary of labor; Lyman Ginger, NEA president; Dr. Harold Van Winkle, director of publications and news service, at the University; Dr. Samuel Cooper, chairman of the University's department of health and physical education; and Dr. Bernard H. Gundlach, assistant professor of mathematics at Bowling Green.

Afternoon sessions of the conference will feature a series of discussion groups, including clinics for officers of state departments of classroom teachers and local associations and workshops for the study of elementary and secondary curriculums.

Athletic Teams End Season With Fine Records

Hallett Paces Linksmen To Outstanding Season

By BOB GREENBERG

Led by senior Gary Hallett who averaged 75.05 strokes per round Bowling Green's golf team compiled a 12-3-1 record for the 1958 season. The linksmen record was one of the tops in the school's history.

The parmen started out the season in fine form disposing of a strong Kentucky squad, 20-7. Joe Ungvary took medalist honors with 75 while Hallett followed with 77. The Falcons lost their match to Marshall 11-7. Marshall's outstanding Linden Meade turned in the low score in this match of 72. Low for BG was Hallett with 75.

Playing in a triangular match with Dayton and Marshall the BG squad tied Dayton 9-9 and beat Marshall 10 1/2-7 1/2. Hallett again led the BG attack with a 77, but Dayton's Jack Freeman took medalist honors with 75.

Dave Steinen shot a hole in one but this was not enough to enable the Falcons to beat Miami. The Redskins dropped BG, 15 1/2-11 1/2. Hallett led the Falcons with 71. Bob Dice of Miami captured medalist honors with 71.

On April 27 the Falcons eked out a 9 1/2-8 1/2 win over Eastern Michigan. Hallett turned in the low score again of 73. BG's Perry Lanning was second with 75. Toledo University followed the EM match and the Falcons beat the Rockets 13-5. In this match Hallett turned in one of his best scores of the season, 70. Dave Steinen followed with 71.

Jack Luedeman scoring a hole in one fired a 76 to pace the Falcons to wins over Wayne and Eastern Michigan. Wayne was defeated 14 1/2-5 1/2 and EM, 12 1/2-7 1/2. Dave Steinen tied Luedeman for medalist.

Harold Warren and Hallett fired 75's to pace the linksmen to a win over Kent, 21 1/2-2 1/2 in a triangular meet. OU the third team in the meet handed the Falcons their third loss of the year, 17-7.

In another triangular meet the Falcons disposed of TU and Marshall. TU fell 13 1/2-6 1/2 while the Big Green was getting beat, 13 1/2-10 1/2. Hallett again turned in the low score, this time 74.

Hallett fired his best round of

the year against Hillsdale to pace the Falcons to a 17 1/2-2 1/2 win. He took only 27 putts to fire a 69; Lanning and Warren each had 74's for BG.

Following the Hillsdale match the Falcons entered the Ohio Intercollegiate Tournament at Ohio State placing third. Lanning turned in the fourth best individual score of the tourney 158. OU won the tournament with a total of 638 strokes compared to BG's 655.

In the Falcons' final two matches of the year they beat Western Michigan 10 1/2-7 1/2 and Kent 13-5. Hallett fired a 82 to capture medalist honors.

To complete the season the Falcons placed third in the Mid-American Conference Championships at Western Michigan. The top two Falcons scores were Lanning's 145 and Hallett's 147. The Falcons' team total was 593 and the winner OU had 582.

Linden Meade turned in the best individual round of the championships with 63. Hallett was picked captain of the All-MAC after the championships. Lanning was placed on the second team.

Individual averages were as follows: Lanning, 78; Steinen, 78.3; Warren, 78.7; Ungvary, 79.2; Luedeman, 79.9; and Bernicke, 82.5. The teams average as a whole was 78.3.

Tankers Capture MAC Swim Title

For the third straight year, the Falcon tankers stole the show at the Mid-American Conference Swimming Meet. The victorious mermen scored an impressive 136 1/2 points to win the meet. Second place Ohio University, trying to seek revenge for a previous defeat, were able to finish with only 115 points. The Falcons tally was second only to the 144 points they chalked up in the 1956 Conference Meet.

Pacing the victorious Falcons to their 12-0 dual meet record, MAC Relay crown, MAC championship, and Ohio-AAU crown and supplying the needed speed and depth were a pair of speedy sophomores.

Ray Martin, named to the All-American High School team while attending Lincoln Park High School in Michigan, grabbed first places in the 220 yd. freestyle, the 440 yd. freestyle and the grueling 1500 meter freestyle. He was also a member of the MAC relay record breaking teams in the 300 yd. individual medley relay and the 200 yd. backstroke relay.

The other stellar sophomore, which can be described by use of the words determination, courage, and spirit, was Howard Scarborough. Howard, who was down with hepatitis for about four weeks prior to the MAC championships, broke the pool record in the 100 yd. butterfly.

All told, the Falcons cornered nine firsts, four seconds, and six third place awards. As is the usual custom, the mermen decided to test the swimming ability of their coaches. Head coach, Sam Cooper, went quietly into the pool but Dave Matthews got away from the team and when they were able to catch him, he took three swimmers with him.

On the weekend of March 27, 28, and 29 coach Cooper took five of his top swimmers to the University of Michigan to compete in the NCAA swimming meet. The five, Don Worsfold, Ray Martin, John Thompson, Ralph Eakins, and Jack Michaels, competed against over 500 other swimmers from all over the country.

Eakins was the only Falcon to place in the nationally televised meet. The 6'6" backstroke was also the first Falcon merman to ever enter the finals of the event. Entering in the 100 yd. backstroke instead of his usual 200, Eakins finished in sixth place with a time of 60.4 seconds.

Commenting on the season Mr. Cooper said, "I feel that Eakins will make the All-American team again this year, possibly in both the 100 and 200 yard backstroke."

SENIOR QUARTERBACK BILL LYONS is stopped by an unidentified Marshall player after picking up some valuable yardage against the Thundering Herd. The Falcons overcame a first period deficit and a muddy field, to win the final game of the season 14-7. This win gave Bowling Green a tie for second place in the MAC, along with the host school, Marshall.

A STANDING ROOM ONLY crowd watched the Bowling Green Falcons play one of their greatest games in years, despite the fact that they dropped their first league game of the season to a powerful Miami Redskin team, 70-64. Above Frank Wade (32) goes high in the air to take a rebound away from Miami's Ed Wingard (15). Other players in the picture are (23) Wayne Embry, (28) Chuck McCampbell, and (14) Brown.

BG WRESTLER JOHN SMITH has Ohio State University's Don Pax in a near pin while other members of the BG squad shout encouragement from the rear. The match, which was held Feb. 22 in the Men's Gymnasium, was won by OSU, 21-3, and brought the Falcon's record to 7-2.

'Best Wrestling Squad' Wins Eight Of Eleven

By ROGER DAVIS

A rip-roaring bunch of undergrads representing Bowling Green on the wrestling mat swept to eight wins against three losses in dual meets last season. The squad, called by coach Bruce Bellard "The best in this school's history," was also one of the youngest. Only two seniors, Eddie Brodbeck, 123 lbs., and Karl Koepfer, heavy-weight, were among the first team.

The two best individual records were owned by sophomore Bob Duke at 147 lbs. and junior Jim Comella at 157 lbs. Both compiled 7-2 records. Duke pinned six opponents and led the team with 33 points. At the end of the season he won the Ohio AAU championship at 157 lbs.

Tied for second in points scored were Howie Ferguson, sophomore at 130, and John Smith, junior at 137, both with 31 points. Brodbeck, Ferguson, and Smith all won seven matches and lost four.

Two other outstanding performers were Bob Morril and Ken Vance. Morril, at 167, won six and lost three; Vance, at 157 won five and lost three before succumbing to hepatitis.

Back next year to push the front-liners will be Paul Behrnes,

Paul Marko, and Joe Kinkopf, and coming up from a tough freshman team will be Jim Stagg, Jim Hopple, George Letzner, John Ruper, and Al Kebl.

The team had no conference champions, but late in the season it was harassed by an epidemic of hepatitis and assorted injuries. Just about every man on the team wrestled at one time or another under some physical handicap.

Starting out strong, the Falcons shutout Oberlin, 26-0, before Christmas. After the vacation the going was tougher as they beat Ohio U., 21-9, were upset by arch rival Toledo, 12-19, and just squeaked by Miami, 16-13, as the last man, Koepfer, scored a take-down in the closing seconds of his match.

The Falcons stomped on Findlay, 26-8, then rolled over Eastern Michigan, 38-2; Marshall, 34-0; and Western Ontario, 24-6. In perhaps the toughest match of the year, the Falcons fell to Ohio dual match was closely fought.

Bowling Green knocked off Western Michigan, 26-6, fell to State, 21-3, although each individual, 24-5, then closed the season with a disappointing fourth in the conference tournament.

Tracksters Lack Depth In Compiling 2-4 Mark

By KEITH SANDERS

The 1958 track season for the Bowling Green Falcons was one of great individual performances but lacking in team depth.

Outstanding performers in practically all events were had by the thinclads, but the second and third places needed to win track meets were noticeably absent.

The season was one that saw many records go by the boards. It was a season of lopsided dual meets. The Falcons opened the season against the perennially tough Miami Redskins and came home smarting with a 102-25 defeat. Bernie Casey, Bob Hill and Chuck Comer were all out with injuries, and it is a certainty that their presence would have been noticed. Bob Ramlow was the only Falcon first as he eased over the pole vault bar at 13 feet.

Against the Kent State Flashes, Ernie Malzahn put on a one man show for the home fans, as he picked up three firsts, a third, and ran on the 880 relay team, compiling a total of 18 points. The team score was 98 1/2 to 48 1/2 as the thinclads took 12 first places, missing only in the mile and two mile. Carroll Rine started his season long assault on the discus record by tossing the plate 150' 1 1/4".

The Bobcats of Ohio University walked off with too many seconds and downed the Falcons 87-60.

The last home meet of the year found three new varsity records being added to the Falcon cause. The victim was Detroit as a 92 1/2 to 42 1/2 margin was compiled.

Although finishing fourth in the MAC championships at Western Michigan, the Falcons made an excellent showing; Walt Killian set a new varsity and MAC record in the high jump, as he soared 6'7 5/8" in the high jump. Luehrs hit 50'3" in the shot put for another Bowling Green record and first

BG Eleven Dropped By Miami 13-7 For Year's Only Defeat

Tying for second place in the Mid-American Conference Bowling Green's football team compiled a 6-1-2 record this past season. The Falcons started the season in fine shape coming up with three consecutive wins.

Opening the season, the grid-ders walloped Baldwin-Wallace, 60-7, in what might have been considered a warm-up game.

Speedy Floyd Lennox led the Falcons to their second win of the year over a highly rated Xavier squad, 16-0. Lennox crossed the goal line twice for the Falcons.

Flying out to Newark, Delaware, the Falcons met the University of Delaware and eked out a 7-0 victory. BG found the Delaware squad tougher than expected. The lone score came on a Nehlen to Ramlow pass with 9:25 remaining in the fourth quarter.

BG had another surprise awaiting them when they met Western Michigan. Western, not rated too highly in the MAC, came up with a 14-14 tie. The Falcons took an early lead, but poor pass defense enabled the Broncos to score.

Playing before a huge Dad's Day crowd the BG gridders disposed of Toledo University, 29-0 to extend their record to 4-0-1. Again, Lennox looked very good, picking up 104 yards in 16 carries. In total, the Falcons picked up 315 yards rushing and 110 passing, for one of their best team efforts of the year.

Sturg Russell scoring in the fourth period proved to be the winning tally in the Falcons 13-7 triumph over Kent State at Kent.

The big game finally came, Miami. The Falcons who had been preparing for the Redskins all year fell to Miami 13-7. Even though the Falcons lost, a high-point in the game was the outstanding passing of the Falcon quarterbacks. They completed a total of 13 of 18 aeriels for a total of 154 yards.

After the big letdown the team incurred when facing Miami, the Falcons tied Ohio University, 7-7. Again a weak pass defense hindered the Falcons.

BG ended the season on a winning note dropping Marshall, 14-7. Marshall's lone score came on an intercepted pass play.

Individual leaders for the Falcons were Bob Ramlow who was the third leading ground gainer in the MAC, Ray Reese and Ed Janeway, who placed second and third respectively in pass reeiving, and Don Nehlen, who was second in passing.

place. Casey won the High hurdles in 14.5 seconds for another varsity record.

Casey, although missing the Miami and Kent State meets, was high point scorer for the year with 48 counters. Scott was second with 42, followed by Malzahn who competed regularly in the hurdles, broad jump, high jump, dashes, and the 880 relay team.

Composed of a team of mostly sophomores, the 1957 Falcon Cross Country team improved from meet to meet to become one of Bowling Green's best teams.

The squad came out on top in eight dual meets during the season, finished third in a large field at Dayton for the state AAU meet, placed third in the Michigan AAU state meet, and finished second to Western Michigan in the MAC championships.

'58 Cagers Sparked By 'Dandy' Darrow; Cop Fourth In MAC

Coach Harold Anderson's basketball team had a highly successful 1957-58 season, finishing with 15 wins and 8 losses. Included in the win column were victories over such outstanding basketball teams as Canisius, De Paul, Duquesne, Marquette and Detroit University. The Falcons finished fourth in the MAC Conference with a total of 6 wins and 6 losses.

In one year a sophomore has so entranced the Bowling Green followers that the monicker Jim "Dandy" Darrow is as well known as the name Falcon. Darrow's speed, aggressiveness and deadly shooting makes him one of the most colorful and exciting basketball players to don a Falcon uniform in many years. Jim was 25th in scoring in the nation with a 22.1 average per game. He was named to the All-Ohio and All-MAC teams, and he was given honorable mention for All-American honors. Backing Darrow up is another guard of exceptional stature, Jim McDonald. McDonald is a fine ball handler and finished next to Darrow in scoring with a 13.0 average per game.

This year's basketball team comprised 14 letter winners and 10 of this number will return to play next year. The four graduating seniors who have competed for the Falcons during their four year stay at the University are big Al Reinke, and guards Tom Schwyn, Jim Tucker, and DeWayne Smith.

Frank Wade, Chuck McCampbell, Dick Abele, and Ben Williams constantly contributed their share of rebounding and team play to cement the Falcons into a high calibre team of national importance. Other team members who received letters were Dick Kuzma, Ed Harling, Carroll Rine and Jim Scheel.

Netters End Up Fourth In MAC

Placing fourth in the Mid-American Conference Championships, Bowling Green's netmen closed the season with a 6-8 record, their best in three years. Coach Bob Keefe considered the season partially successful and looks forward to a better season next year.

The Falcon netters faced very tough competition and showed well in all of their matches. Many of the losing battles could have been won with just a few breaks.

DeWayne Smith compiled the best individual record with a 12-3 mark. Ed Wahl who had a 9-5 record, Bob Colburn, 6-6 and Smith were the only men who had winning records for the year. Dick Abele had a 6-8; Jim Scheel, 5-9; Tom Crowe, 4-6; Jerry McGonagle, 2-3; and Jim Berger, 0-1.

Smith teamed up with Wahl in doubles for an 8-5 showing, the best on the team. The other combinations that ended with winning records were Scheel-Abele, 2-0; Scheel-Berger, 1-0; Scheel-Smith, 1-0; and Crowe and McGonagle finished with an even 1-1 mark.

Stellar Praises Sr. Diamondmen

This week we pay special tribute to our graduating seniors. Coach Warren Stellar, having just finished his thirty-second year as BG baseball coach, had this to say about his senior diamondmen, "They worked harder than any gang I've had and now this group has put us into the position of top contender."

Stellar commented on his seniors individually:

Joe Podojil: "One of the top conference pitchers in the last two years."

Larry Geissler: "He'll be missed because he is one of the best first basemen in the conference and one of the finest fielders in our history."

Paul Dienstberger: "He helped us many times during the past season with his timely hitting. His best hit was his triple in the Western Michigan game which tied the game up and sent it into extra innings."

Larry Morrison: Although a utility man most of the year, he did an excellent job when called upon."

Jack Michaels: "One of the finest ball hawks ever to attend BG. He could go after those balls in the outfield as good as anybody in the league."

Don Hornish: "Led team in hitting last year and did consistently well this year."

Joe Spano: "An effective pitcher who delivered when he got the opportunities."

Art Sykes: "Never played much but his spirit for four years was typical of Bowling Green athletes in the past."

For the season, the Falcons posted a 7-7 record and a 4-5 mark in the MAC. They finished third behind Ohio University and Western Michigan.

WM has beaten Minnesota and Valparaiso so far in the NCAA double elimination tournament. WM players and coaches had this to say about the Falcons, "The toughest team we've played all season."

The highlight of the year was Wade Diefenthaler's no hitter against Ohio U., 5-0. In this one, the Falcons backed up their star pitcher with excellent fielding and timely hitting. The Falcon victory was the only blemish on the Bobcats' record.

Orientation Week, Artist Series, University Union Fire, Dedication, Major Productions, Formation Of Student Government Highlight 1957-58

SHOWN ABOVE IS the 1957 University homecoming queen and her court, who were presented during pre-game festivities before 9,200 persons jammed into the stadium to witness the October 12 homecoming football game between

the Falcons and Western Michigan. From left to right are: Mickey Patti, sophomore attendant; Hildegard Heinrich, senior attendant; Linda Tiegan, homecoming queen; Beverly Snyder, junior attendant; and Barbara Yunis, freshman attendant.

A FEW OF THE 1,800 freshmen and transfer students are shown here enjoying the freshman picnic during the Orientation Week program last September. They are left to right, Frances Cardoni, Lyane Chiara, Martha Baldwin, Janet Zimmerman, Marilyn Bassett, Sylvia Cutshall, and Joyce Zivich.

SEVERAL HUNDRED PERSONS jammed the Men's Gymnasium Sunday, Dec. 8, to witness the annual Christmas Concert presented by the combined choral groups of the University. Over 300 voices, composed of members of the A Cappella Choir, Collegiate Choral, University Chorus, and the Choral Society, sang to glories of Christmas in familiar Christmas songs, carols, folk songs, and spirituals.

WANDA CHYNOWETH, UNIVERSITY sophomore, portrayed Lady Macbeth, and Broadway actor Jeffrey Lynn played the title role in the University Theatre's last major production, May 14-17. Other presentations were: "Playboy Of The Western World," "Teahouse of The August Moon," "Present Laughter," and "The Great Sebastians."

THE FIRE-GUTTED University Suite, above, was one part of the University Union damaged by flames and water during the blaze which swept through the Union, Oct. 22. Damage was estimated at \$100,000, according to Pres. Ralph W. McDonald, and delayed the Feb. 14 Union opening until April 11.

THE COMMITTEE ON NEXT STEPS for Student Participation in University Government formulated the constitution for student government at the University. This constitution was overwhelmingly ratified at an all-campus election by a vote of 1173 to 842. Members of the committee are left to right: Carol Creason, Dean Florence Currier, Chuck Perry, Sue Rautine, President Ralph W. McDonald, Norm Nunamaker, Dean Wallace W. Taylor Jr., Ken Kjoller, Dean Elden T. Smith, and Miss Anne Potoky.

HUNDREDS OF SPECTATORS lined the University plaza, Friday, April 11 to watch Mrs. Ralph W. McDonald cut the orange and brown ribbon strung across the University Union's main entrance, thus officially opening the multi-million dollar structure. The ceremony was heralded by a rifle salute and the firing of a rocket which signaled to the campus that the building was open. An estimated 30,000 persons attended the three-day ceremonies.

MORE THAN 2,000 persons attended the second Artist Series program, Paul Gregory's production of "The Rivalry", a recap of the Lincoln-Douglas debates. Starred were Martin Gabel, left, Raymond Massey, center, and Agnes Moorehead, already seated in the car.

DR. REA MCCAIN, professor emerita of English at the University, is shown receiving the Doctor of Literature Degree during the academic convocation held April 12. John W. Bunn, second from left, is about to place the cape on Dr. McCain while Gov. C. William O'Neill, who was presented with the Doctor of Laws Degree, and Dr. Ralph W. McDonald, far left, look on approvingly.

THE GRAND BALLROOM of the University Union was officially unveiled Friday, April 11, when an estimated 2,000 persons lined the floor to dance to Guy Lombardo's "sweetest music this side of heaven." In all, an estimated 4,500

persons attended the two dances in the gigantic ballroom which constitutes a third of an acre of floor space unbroken by columns.
